

## Design Specifications:

**Site:** RustytotheRescue.com

**Owner:** Katelyn Medlin

**Developer:** Jacob Troxel

**Description:** Simple, single page site to provide all information about book. Will include links, descriptions, and images for interested buyers. Three major sections planned - "About Book", "About Author" and "About Rusty".

"About Book" - Will include paragraph about the book, an image of the book, and a list of links where visitors can purchase the book.

"About Author" - Will include paragraph/bio about the author, Katelyn Medlin, an image of her, and links to applicable social media sites.

"About Rusty" - Will include paragraph about Rusty the dog, a picture of him, and quote(s) from owners about book and Katelyn.

**Layout:** Single column, stacked boxes. Will resize for smaller screens and mobile devices. Header at top with title of page (single page, no links). Footer at bottom with site info as needed.

## Estimates of Schedule:

Developer estimates *10 hours* of work on site.

## Estimates of Payment:

10 hours work @\$10/hr:	\$100
1 page at \$10/page:	\$10

-----  
Total: \$110

*(This is an estimate of total payment. Owner will be updated with work and time totals every day of work, and summary will be included with delivery of site).*
